Accelerator Program for Early Stage Startups

Everything B2B startups need to break through with their business idea.

- ✓ 20+ WORKSHOPS & EVENTS
- ✓ 10+ BUSINESS MANAGER
- ✓ 30+ MENTORS & EXPERTS
- ✓ NO FEES

From Idea to Your Commitment

You pop in with a vague idea of a future business and you leave with a sound B2B business model, proven product knowledge, and connections with potential partners and customers respectively. You and your team mates have six weeks time to develop your founder team as well as your business idea towards a validation-ready business model.

Ready to Start Your Startup

Be part as one of 15 early stage startups, which will participate in the 6 weeks program!

What you can expect

Business

Expose your idea to key people from business, and get first feedback.

Mentors

One-to-one mentoring with mentors from Germany, Tel Aviv and the Silicon Valley.

Workshops

A clear business model including a defined structure for your startup.
